User Guide for ToDo App:

1. **Language Selection:**

   - When you run the app, it will prompt you to select your preferred language (English, Spanish, French, German, Italian).

   - Enter the name of the language and press Enter.

2. **Task Entry:**

   - After selecting the language, you can start entering your tasks in the "Enter Your Task" field.

   - Once you've entered a task, click the "Submit" button to add it to the task list.

3. **Deleting a Task:**

   - To delete a task, enter the task number in the "Delete Task Number" field.

   - Click the "Delete" button to remove the task from the list.

4. **Setting a Reminder:**

   - You can set a reminder for a specific time by clicking the "Set Reminder" button.

   - Enter the desired reminder time in the format (e.g., 10:30 AM) and press Enter.

   - A reminder alert will appear confirming the set time.

5. **Exiting the App:**

   - To exit the app, click the "Exit" button.

   - You can also close the window directly to exit.

6. **Error Handling:**

   - If you try to submit an empty task, an error message will be displayed prompting you to enter a task.

   - Similarly, if you enter an invalid task number while deleting a task, an error message will be shown.
